FULL STACK WEB DEVELOPER

SUMMARY

Web Developer with a strong foundation in HTML, CSS, and JavaScript, eager to create engaging and functional websites. Proficient in modern web development frameworks, including React. Highly motivated to learn and adapt in a fast-paced, collaborative environment. Excellent problem-solving skills and a keen eye for detail, combined with a passion for creating visually appealing user experiences. Seeking an entry-level position to kickstart my web development career and contribute to innovative projects while expanding my knowledge and skills.
